

The Bible

The Bible is God's gift to man and man's greatest treasure. It communicates to us God's purpose and the meaning of our human life. When we read it with our spirit, we activate everything that the Bible is, touch God, and allow Him to enter into us. To make this happen, the Word has to come off the shelf, off the page, and into us through our consistent reading. May God have mercy on all of us to regularly and daily read this proven and precious book!

“ I believe the Bible is the best gift God has ever given to man. All the good of the Savior of the world is communicated to us through the Book. ”

– Abraham Lincoln,
16th President of the United States

Our Daily Bread

No healthy person eats only when he is inspired. Reading the Bible is no different from eating physical food, for both are life necessities. Just like we eat regular meals each day, we also have to receive the word of God into us consistently and livingly. Our spiritual life depends on it! The nourishment we receive from the supply of life in God's word becomes a subjective and practical part of our living.

“ Man shall not live on bread alone, but on every word that proceeds out through the mouth of God. ”

– Matthew 4:4
